

Participant in English Language Upskilling Training WITH GAZA SKY GEEKS

To Whom It May Concern

This is to certify that **Ms Israa Mazaraa** has been a participant at **English Language Upskilling Training (ELUT) in Gaza Sky Geeks** between **September 2022 - November 2022**. The program targets talented individuals and freelancers in areas such as web development, graphic design, translation, social media, etc and provides them with the English language upskilling and technological skills to come upon the command requirements and better operate remotely and obtain cash through intensive mentorship sessions **(60 hrs)**.

Israa proved to be creative and astonishing. Her avid curiosity for learning and improving shined through her dedication to the program and assigned projects. Her professional growth has also been outstanding. She has excellent communication skills. Moreover, she is organized, reliable, and computer literate.

In conclusion, Israa was an outstanding participant during the life of the program, she has always shown great commitment toward all instructions and policies of our organization.

This certificate is given upon Israa's request.

Sincerely,

Sereen Alkahlout

Upskilling Program Coordinator
